

TERRE D'ANCÊTRES

Attached to our land, to our values, to our family heritage, I have chosen an ancestral method, the vinification in barrels, to respect our Premier Cru land.

We blend the 3 grape varieties representative of our vineyard; to always better «transcend my roots».

Arnaud Gounel, wine-rider

APPEARANCE: Under the influence of Chardonnay, the color is pale yellow with pale yellow-green reflections:

NOSE: The first nose is subtle (toasted bread, fresh citrus notes, lemon). We salivate in advance! There are notes of flowers (peony, buttercup) and a very fresh sensation, like the scent of the first drops of rain when we are in the vineyard. With a lemony frame, the buttery side arrives: a fresh meringue!

PALATE: The attack has light oak influence; it skates more than it's woody (desired by Arnaud). It is an invitation to the sun: the exotic fruits (passion fruit, pineapple, mango, peach, apricot) are subtle. Without any sensation of sugar, this is a pure and clean wine. Made from the high quality of the soil layers beneath the surface (well-integrated and blended). The creamy finish fills us with elegance and delicacy in an exotic tone. Delicious!
